Custom Door Stop

Glass Guide with Water Sweep

Stall Door & Panel

Door & Panel with Buttress Inline Panel and 90° Return Panel. Customer requested exterior door slide.

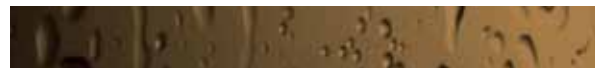

Precision machined accessories ensure your Matrix enclosure will withstand the test of time. Our custom design offers you concealed mounting hardware, eliminating unsightly screws or brackets.

Door & Panel with 90° Return Panel.

The **Matrix Series** lives up to its reputation as a Truly Frameless sliding enclosure. GlassCrafters offers eight unique enclosure options to meet your needs. Expand the opportunities to utilize our modern door technology to enclose a water closet with our single door enclosure or partition a closet or complete room with the Matrix series. Take your bathroom out of the ordinary and into the extraordinary with our unlimited options.

GlassCrafters understands the importance of selecting the right product for your bathroom. Over the past twenty years, GlassCrafters has become the industry leader for designing unique products while maintaining the highest standards. Our in-house custom glass fabricating department allows you to custom tailor your enclosure to the exact specifications of your bathroom.

Tub Door & Panel

Door & Panel with 90° Return Panel.

Stall Door & Panel

Stall Door & Panel

Water Closet and Shower Enclosure Custom Combination. Single Sliding Water Closet Entrance Door, Leading to an Internal Majestic Door & Panel. 1/2" Acid Etch Starfire Glass with Brushed Stainless Steel Hardware. External Door Slide Requested.

Door & Panel with 90° Return Panel

Panel - French Doors - Panel. Custom Room Divider.

The **Maxtrix Series** from GlassCrafters combines world class engineering, technological innovations of precision stainless steel and carefully crafted glass to create a unique space that truly reflects who you are. A truly frameless sliding door is supported by a solid 1" diameter stainless steel rod eliminating the typical header. Two sets of precision machined stainless steel rollers allow you to effortlessly operate the enclosure. Our custom designed bumper system eliminates the need for side rails or bottom tracks, expanding the look and feel of your bathroom. Select from our eighteen decorative glass options for 3/8" or 1/2" tempered safety glass. Finish choices include Brushed Stainless Steel and High Polished Stainless Steel.
